Product of Canada

WE PUT DELISH IN FISH.

Ready-to-eat right out of the package!

Hardy Buoys master craftsmen choose fresh salmon harvested from the crystal clear waters of Canada's Pacific northwest. They are filleted by hand and cured using a blend of Demerara sugar and salt. The salmon is then gently smoked over smouldering Alder wood chips to create our distinct yet smooth flavour.

Smoked Salmon Candied Nuggets

Our candied salmon nuggets are similar to the candied salmon, but favoured for their snack-able size and texture. The cut and size allows for a more flavourful burst of sweet smokey goodness.
